

SOFT MUSIC AT TWILIGHT SOON IN TOWN SQUARE

Plans to provide musical interludes in Lincoln Square during the summer months were outlined Monday evening at a meeting of the directors of the Gettysburg Chamber of Commerce in the Chamber offices in the Plaza Building.

Walter B. Lane and LeRoy E. Smith were named members of the committee which plans to place loudspeakers in the center plot and provide recorded music each evening about twilight in the center of the town.

Discussion indicated that the group feels the music will help to provide a "friendlier and more relaxed atmosphere for our local citizens and guests." Smith will provide a tape recorder to play the music containing Civil War tunes and other appropriate music will be secured by the Chamber.

Have 112 Members
Gerald Bixler, membership chairman, reported 112 members in the Chamber at present. At the suggestion of Bixler's committee, the Chamber directors voted that new members, entering the Chamber now will pay only one-half year's dues, \$12.50.

Wednesday, July 16, was selected as the date for the next membership meeting of the Chamber. Gettysburg College President Willard S. Paul will be the speaker.

LeRoy Smith reported a need for more folders on the part of both the Travel Council and Chamber of Commerce. Only 1,000 folders were sent out by the Chamber in reply to 451 inquiries during the month because of lack of folders and funds to purchase more.

A general discussion was held on "fly by night" concerns which use local organizations as fronts to "hard sell" advertising and other products. Organizations approached by such salesmen were asked to contact the Chamber of Commerce first before signing agreements with the out-of-town solicitors.

Noting the opening concert of the Gettysburg Symphony Orchestra tonight, the Chamber voted to send a basket of flowers to the group in appreciation for its efforts.

ARQUETTE BACKS SUGGESTION FOR PAGEANT HERE

The idea of an historical pageant for Gettysburg was endorsed as "sensational" by Cliff Arquette, radio and television personality, in a talk before the Gettysburg Lions Club Monday evening at the Shetter House.

The television character actor, who is known across the nation as "Charlie Weaver" on the Jack Paar television show, pointed to the success of historical pageants in many other parts of the country. "I haven't gotten the idea that tourists are exactly unwelcome in Gettysburg nowadays," he observed.

The speaker, who is converting the former National Orphans Home building, opposite the Cyclorama in Baltimore St., more recently the Koch property, into a new museum, told of the current "Battle of Gettysburg" there between the sandblasters and the bees that inhabit part of the old dwelling.

Warning that unusual noises from that part of town may be caused "by the drilling bullet holes in the walls," Arquette told of plans for his museum which will show Arquette's collection of 12 uniformed figures showing "off-beat uniforms" worn in the Civil War.

"When most people think of the Civil War, they think of the Blue and the Gray but many do not know that after the first year of the war there was little of the gray. They were wearing anything they could get. People don't know either of some of the fabulous cloth uniforms worn, particularly in the early days of that war."

He displayed five of the brightly uniformed figures, including images

Estimate 350 Holiday Deaths

CHICAGO (AP) — Traffic accidents in the nation will kill an estimated 250 persons during the Memorial Day holiday weekend, says the National Safety Council.

The council's predicted toll is for the period from 6 p.m. local time Thursday to midnight Sunday. The 350 estimate is about 50 more deaths than would be likely if the period were not Memorial Day weekend, the council said.

LAWYERS LIST 3 WINNERS IN ESSAY CONTEST

Two Biglerville High School freshmen and one from Gettysburg High School were announced today as the winners in the annual essay contest sponsored by the Adams County Bar Association. The three winners will divide \$30 in prizes.

First prize goes to Sarah L. Fox, daughter of Mr. and Mrs. Marvin L. Fox, Bendersville, and the second prize has been won by Carolyn Musselman, daughter of Mr. and Mrs. Arthur Musselman, Gettysburg R. 3. The first prize award is \$15 and second prize is \$10.

The Gettysburg High freshman who won the \$5 third prize is Carolyn Guise, daughter of Mr. and Mrs. Ralph W. Guise, Gettysburg R. 5.

Miss Fox's winning essay will be entered in a state-wide contest in which the winning essay will receive a prize of \$250.

Wrote On Court House Tour
The essay contest was sponsored by the bar association in connection with the tours of the court house by 9th graders during each school year. The essay topic was "My Visit to the Court House." It was suggested that the essays should contain between 300 and 500 words and all of the students who visited the court house here in the last year were eligible to enter essays.

The essays were submitted to the teachers who had accompanied the pupils on their court house tours and the three best essays from each school were forwarded to the essay committee of the bar association. May 20 was the deadline for entries. The essay committee selected the prize winners.

The essay committee includes Attorneys S. M. Raffensperger, Donald G. Oyler and H. Thomas Pyle. The contest was under the general direction of the bar association's public relations committee which is headed by Attorney Edward B. Bulett.

Many Kiwanians See Local Film

William Shoemaker, a member of the club, reported on his experiences as a druggist during World War II at the meeting of the Kiwanis Club Monday evening at Banker's restaurant.

Committees preparing for the panel discussion on Gettysburg parking problems June 9 reported progress.

President Herbert Hamme reported that the copy of the film "A Story Of Gettysburg" purchased by the local club has been shown at Kiwanis Clubs throughout Pennsylvania and now is circulating in New Jersey where three clubs viewed it this month and eight others have made arrangements for its showing in the near future.

New Fighter-Bomber Flies Twice The Speed Of Sound

HOUSTON, Tex. (AP)—The air Force disclosed today that its new Republic F105 fighter-bomber is capable of flying twice the speed of sound, and is armed with the new 20mm Vulcan automatic cannon.

Republic Aviation Corp., Farmingdale, N.Y., is building the F105 for the Tactical Air Command.

Described as the most powerful one-man airplane in the world, the F105 can carry the new nuclear weapons along with clusters of rockets, 4,000 pounds of conventional bombs, napalm bombs and guided and unguided missiles.

The General Electric-manufactured Vulcan cannon, called the world's fastest and most potent machine gun, can fire 6,000 rounds a minute. The plane is powered by a Pratt and Whitney J75 engine.

Earlier, the Navy announced it would continue training its fledgling pilots instead of using civilian instructors for primary flight

GERMAN SAYS U.S. EDUCATION SYSTEM BEST

From the point of view of a young German high school student American education is superior to that of Germany and Russia.

Dietz Borowski, German exchange student ending a year as a student at Gettysburg High School, told the local Rotary Club at its meeting Monday evening in the YWCA that "Russian and German education specializes but American education gives everyone a chance to go as far as he can. The best thing about American education is that it teaches everyone to think for himself."

Borowski was one of a number of high school students who were in charge of Monday's Rotary session. The youths were those who during the last eight months have been "student members" of the Rotary Club. Each month during the school year a student from the local high school "sits in" with the Rotarians as a "member" of the adult organization.

School "A Happy Place"
At Monday night's meeting the students filled the various offices. Richard Dracha served as "president"; Nicholas Kargas, "vice president"; David Redding, "treasurer"; Robert Fitz, "secretary"; Joel Reaser, "song leader." The other students who served as "Rotarians" during the year were Borowski, Sidney Steinhour and Robert Brewer.

Borowski was the principal speaker but the other students told activities at the high school. Dracha introduced the speakers and commented on the school activities as well.

Bedding told of the work of the agriculture department and FFA at the school. Fitz told of various clubs at the school including a "Gettysburg High School Civil War Round Table."

Dracha concluded the talks by noting: "We may be a little misunderstood sometimes, but really our school is quite a happy place."

Dr. Harold Dunkelberger, president of Rotary, praised the students for "the outstanding program you have given us, and your presence during the year. You have given us much more than we have given you." Walter Lane and Ray Seltzer were named co-chairmen for a committee to construct the Rotary float for the July Fourth parade.

College Receives New \$2,300 Grant

Gettysburg College has received a \$2,300 grant from the National Institute of Health of the Department of Health, Education and Welfare, President W. S. Paul announced today.

The grant is for one year and is to be used for "research of a central nervous system excitant drug on learning." The project will be conducted by Dr. Charles E. Platt, of the college psychology department; Mrs. Barbara Platt, research assistant, and Dr. James H. Gilford, research associate.

This is the first time the college has received such a grant for this particular field of research.

CHILD IS BURIED

Funeral services for James Everett Mort, four-year-old son of John and Elizabeth (Utz) Mort, Littlestown R. 1, who died on Saturday night at the National Institutes of Health, Bethesda, Md., of leukemia, were conducted this afternoon at 2 o'clock from Little's Funeral Home, Littlestown. The Rev. Stanley B. Jennings, pastor of the Taneytown Lutheran Church, and the Rev. Cyrus Strite, pastor of the Piney Creek Church of the Brethren, near Taneytown, officiated. Interment was in the Lutheran Cemetery at Taneytown. Serving as pallbearers were Carroll Foreman, Michael Tracey, William Bowers and John Rhinehart.

training as the Air Force and the Army do.

The Navy made its stand known in a news release at an Aviation Writers' Assn. meeting here, taking issue with certain recommendations of a survey conducted by a Cleveland firm, Robert Heller and Associates.

The Navy described the Aeronautical Training Society of Washington, D. C., which made the Heller report public, as a "bargaining agent for civilian flight training organizations."

ATS represents the primary, instrument and ROTC flight training schools which conduct primary training for the Air Force and the Army.

The Heller report, made public at ATS urging after being kept secret for more than a year and a half, estimated the Navy could save almost seven million dollars a year by using civilian flying

More Volunteers Answer R. C. Call

With six more volunteers offering to assist instructors of the summer Red Cross swimming program, the danger of curtailment of the program for lack of help seemed past today but Chapter Chairman George W. Naugle said several more helpers are needed.

He explained that several of the volunteers cannot serve for the entire period of the water safety program which opens June 16.

Pleased with the response to the chapter's appeal for help on its water safety program where close to 800 youngsters and adults already are enrolled, Mr. Naugle listed these new volunteers: Joan Nary, Dianne Moser, Jane Roth, Georgi Ackerson, Mrs. Roy Hammond and Mrs. Sara Karrasch.

NAUGLE WILL HEAD YMCA TOWN DRIVE

Richard B. Naugle, 38 Barlow St., has been chosen as Gettysburg general chairman for the 1958 membership invitation and enrollment of the Adams County YMCA. His committee will hold an organizational and kick-off meeting at the Gettysburg Presbyterian Church Wednesday evening at 7:30 o'clock.

The pastor of the host church, the Rev. Robert A. MacAskill, will be the principal speaker.

Walter B. Lane and Dr. William O. Duck will serve as divisional chairmen under Naugle. Forrest Craver, Richard Smith and Kenneth G. Reinhart Jr. will be membership team captains. Others who will assist in the membership enrollment are J. B. Collins, David C. Bloser III, Dr. Howard C. Long, Dr. M. Scott Moorhead, Dr. Clarence Bartholomew, Arthur E. Rice, Dr. Richard Newsham, Douglas Huston and Charles Coffman.

Naugle pointed out that the county YMCA has organized groups in all but two of the high schools of the county and the "Y" locally has sponsored programs for grade school boys, operated a summer day camp for boys and has been helping to develop activities for Gettysburg young adults. He said the "Y" is "looking forward to securing and operating program space which would serve as an activity center for boys and youth, as well as be

Miss Kane attended St. Euphemia's Grade School in Emmitsburg for seven years and St. Francis Xavier's School here for one year. She will be graduated from the commercial-secretary course at commencement exercises Sunday evening at 8 o'clock in the Park Theater, Hanover.

REV. DR. HEIGES IS APPOINTED SEMINARY DEAN

The Rev. Dr. Donald R. Heiges, son of Mrs. E. Dale Heiges, Biglerville, has been selected dean of Chicago Lutheran Theological Seminary at Maywood, Ill. For the last eight years he has served as executive director of the Division of College and University Work of the National Lutheran Council, with headquarters in Chicago.

Dr. Heiges announced his acceptance of the post to the Illinois Synod of the United Lutheran Church in America at its annual meeting in Chicago. He will assume his new duties on September 1, and be responsible for administering the academic affairs of the institution.

Founded in 1891, Chicago Lutheran is supported by the Illinois, Warburg, Indiana, Pittsburgh and Michigan Synods of the UCLC. The seminary's enrollment during the 1957-18 school year consisted of 85 regular students and 165 in all.

Born in Biglerville
Born in Biglerville, in 1910, Dr. Heiges received his A.B. degree from Gettysburg College in 1931, his B.D. from the Lutheran Seminary here in 1934 and his M.A. from Columbia University in New York in 1941. Both Gettysburg College and Concordia College at Moorhead, Minn., have conferred upon him the honorary Doctorate of Divinity.

Dr. Heiges was ordained by the West Pennsylvania Synod of the UCLC in 1935 and is a member of the United Lutheran Synod of New York and New England.

After a year as instructor in philosophy at Gettysburg, Dr. Heiges became active in Lutheran student work in 1935 when the college appointed him as its chaplain and director of freshman orientation. He served in that capacity for nine years.

In 1944, Dr. Heiges accepted a call

Gets Achievement Award At School

John Keith Johnson, son of Dr. and Mrs. C. Harold Johnson, 25 E. Broadway, was the recipient of the achievement award given at the Mount Herman School for Boys, East Northfield, Mass., at the Prize Day exercises Thursday at the school. The school announced that "the award is made for maintaining high honors during the school year." The local youth is completing his first year as a student at Mount Herman.

HEADS FELLOWSHIP

Miss Elise Scharf, daughter of Mr. and Mrs. Henry M. Scharf, Herr's Ridge, was elected president of the Student Fellowship at Lake Erie College, Painesville, Ohio, it was announced by school officials today. She had also been nominated for vice president of her class but was permitted to accept only one position. The Fellowship embraces the entire enrollment of the school. Miss Scharf spent several months studying abroad this year as part of her junior class work.

HEART GROUP TO MEET

The annual luncheon meeting of the directors of the Adams County Heart Association will be held Thursday noon at the Hotel Gettysburg. The annual reports of officers will be presented and there will be a final report on the 1958 fund drive by the campaign chairman, the Rev. Charles E. Held, and seven directors will be elected. Dr. Raymond F. Sheely is president of the county association.

MISS M'MILLAN CITES HISTORY OF HISTORICAL SOCIETY HERE

Miss Margaret McMillan spoke on the history, organization, purposes and services of the Adams County Historical Society at the meeting of the Annie M. Warner Hospital Auxiliary Monday afternoon in the nurses' home.

The first society was organized March 24, 1888, and was reorganized in 1934. Miss McMillan told of the work each committee in the society's program. She described many of the items of interest that can be found in the museum and display rooms of the society, in the basement of the court house. Of interest to many was the fact that so many people write or call at the society's rooms for records to trace their family histories and secure factual data for genealogical records.

Miss McMillan said that all the work done in the display room and in research is on a volunteer basis, and stressed the need for more interested members for the society to continue the work.

Preserve Documents

The speaker reminded the members to be "most discerning in disposing of papers, records, etc., found in attics so that nothing that might be of historical value is destroyed." In conclusion, she quoted, "So fleet the works of men, Back to the Earth again, Ancient and Holy things fade like a dream," and then cautioned the members, "Unless someone arouses to the need of preserving these precious things for the benefit of the future generations, who need to know what it has cost to build

Drag Race Ends In Disaster

POTTSTOWN, Pa. (AP) — A drag race ended in disaster Monday when a car struck a bridge crossing the Schuylkill River 12 miles northwest of Pottstown killing two teen-age boys and seriously injuring two others.

The victims were John W. Balmer, 16, of Collegeville R. 2, driver of the car, and Michael LaSavia, 17, of Collegeville R. 2.

Reported in serious condition at Montgomery Hospital in Norristown were Larry Jones, 15, Eaglesville, and James Kapetsky, 15, Collegeville R. 2.

State police said the Balmer car was racing an auto driven by Milton T. Landes, 19, of Yerkess, along Black Rock Rd. Landes slowed his car down when they approached the bridge, but Balmer didn't, police reported.

The Balmer car struck the bridge sideways, virtually ripping in half.

GRAWE BUYS VARSITY DINNER FOR \$70,000

George F. Grawe, 38, Gettysburg R. 5, Monday afternoon purchased the Varsity Diner, Carlisle St., from L. Earl Melsky, Wilmington, Del., who established the diner in 1955.

Grawe, proprietor of the Towne Restaurant here, is a native of Philadelphia, who managed restaurants in the Philadelphia area for 15 years before coming here three years ago to be the first manager of the Varsity Diner at its opening in March, 1955. In 1956 he resigned that post to open the Towne Restaurant, two doors from the Varsity Diner, on Carlisle St., in April, 1956.

Grawe, who plans to continue operation of both restaurants, purchased not only the Varsity diner with all of its equipment, "good will" etc., but also the real estate. Terms of the transaction were not disclosed but the deed for the real estate shows a payment of \$70,000.

Grawe, a member of St. Francis Xavier Catholic Church here and of the Exchange Club and Travel Council, served four years with the Coast Guard during World War II, two of them on combat duty in the South Pacific. He and Mrs. Grawe wed in 1943, and have five children, Janice 14; Nancy, 10; Sheila, 9; Georgeanne, 4, and George Jr., one month.

Melsky, who had been operating a diner in the Wilmington area before opening the Varsity Diner here, has established a large restaurant in the Wilmington area. Robert Fagan, who served as manager for the Varsity Diner here for the last year, has leased a large new diner four miles from Melsky's restaurant at Wilmington.

Current reports that Mitchell's Restaurant on Lincoln Square has been sold to a local resident could not be confirmed today by the Gettysburg Times.

Gen. Charles de Gaulle Is Forming New French Cabinet

PARIS (AP)—Gen. Charles de Gaulle today started forming a new French government. There were growing indications he would have the assistance of President Rene Coty and Premier Pierre Pflimlin.

A high source at the President's Elysee Palace, who would not be named, said the resignation of the Pflimlin Cabinet could be expected tonight.

The same source said De Gaulle saw the Premier during his mysterious visit to Paris Monday night. The two agreed on the formation of a new government, which would be headed by De Gaulle but include at least some of the ministers now in office.

Discuss Grave Situation
The De Gaulle-Pflimlin meeting took place at the country estate of Defense Minister Pierre de Chevigne, a few miles west of Paris.

The two men quietly talked over the grave political situation France is facing as result of the

ENLARGE ADAMS SCHOOL STAFF WITH ASSISTANT

John Wallace Jr., State College, was elected assistant to the supervisor of special education for Adams County at a meeting of the Adams County Board of School Directors Monday evening in the office of the county superintendent of schools, Carlisle St.

Wallace will begin his new duties August 15. His salary was set at \$7,000. A native of Alliquippa, Wallace received his Bachelor of Science degree from Indiana State Teachers College, will receive his Master's degree in Psychology next month from Pennsylvania State University and has completed part of the work for his doctor's degree.

Aged 27, he is married, father of two children and served from 1952 to 1956 in the Air Force, the last two years as a staff sergeant. For the past year he has served as a graduate research assistant in vocational guidance, diagnosis, etc., at the Penn State psychological clinic. He also completed two research programs under grants from the Fund For Advancement of Education.

Prepare Merger Papers

Attorney J. Francis Yake Jr. presented, for approval by the county board and appropriate resolutions, the petition which will be submitted by the county board Saturday to the county court asking it to direct the county election board to put the question of a merger on the ballot in the Upper Adams Joint School districts this fall.

The proposed merger will include the school districts of Arendestville, Biglerville, Bendersville, Butler and Menallen Twp. and 85 per cent of Tyrone Twp. Much time was devoted to a description of the dividing line in Tyrone Twp. The line as listed runs along Plum Creek, and "200 feet" east or west of various roads. The dividing line was so drawn to permit all students now attending the Lower Adams joint school district to continue in that district. The line "takes care of everybody except one student," Board President Luther Lady said, and added that he felt "something can be worked out" if the merger is approved.

JOHN V. ULRICH EXPIRES TODAY; 91 DESCENDANTS

John V. Ulrich, 92, one of the oldest residents of Adams County, a prominent retired farmer of Germany Township, Littlestown, R. 1, died at his home at 6 o'clock this morning. He is survived by nine children, 25 grandchildren and 57 great-grandchildren.

Mr. Ulrich was a son of the late Valentine and Anna Fredericks Ulrich. His wife, the former Miss Rose Krebs, died 21 years ago.

The deceased is survived by nine children: Joseph C. Tampa, Fla.; Thomas C. Bethlehem, Pa.; Mrs. Benjamin LeFevre, Littlestown; Mrs. Harry W. Stavely, R. 1, Hanover; Mrs. Catherine M. Cochran, at home; Francis W. Littlestown R. 1; Edwin G. and James R., at home; Mrs. D. C. Connor, Lancaster.

to permit that student to also attend New Oxford schools.

The county board decided against "going down the center of roads" in making the dividing line because "it doesn't make sense to have students on one side of a road go to one school and students on the other side to go to another school and thus have two buses traveling the same road to do the same job," as Lady put it.

Convention On July 30

Assistant Superintendent of Schools M. Francis Coulson explained that if the merger is approved by the voters in November "the upper 85 per cent of Tyrone Twp. will become part of the Upper Adams merged district, leaving the remaining 15 per cent of the area as the Tyrone Twp. board area. Since all of the present Tyrone directors reside in the upper part of the township, they will become directors in the merged district, leaving the Tyrone Twp. board vacant, thus the court will need to appoint directors to carry on the school work in that portion of the township." He also explained that "all of the voters in Tyrone Township, as well as all voters in the other districts of the Upper Adams jointure will vote on the question. If a majority of the voters in each of the districts favors the merger, then the entire Upper Adams jointure will become a merged district."

The Upper Adams board is seeking a merger because, Luther Lady explained, "under the state set-up it will mean additional income to the district from the state and thus will strengthen the financial basis of the entire present jointure, as well as providing administrative advantages." If the voters approve, Upper Adams will thus become the first merged district in the county.

July 30 at the South Mountain Fairgrounds was selected as the time and place for the annual summer convention of the school directors of Adams county. Discussion by the county board indicated a speaker on assessments will be secured for the session. One of the questions to be put to the directors will be whether they should promote an increase of the base for assessments in the county from its present 25 per cent of actual value to 40 per cent.

Discuss Technical Schools
Several directors noted that such an increase "would be a tremendous help to the school boards" in the future. Many of the boards are now approaching the maximum millage allowed by law. An increase in the assessment base would provide more income without raising millage.

Sections 1841 to 1847 of the school code were read to the county board by Superintendent of School C. P. Keefe, "as something to think about for the future." The sections provide for the construction of area technical schools for high school students and adults.

Counties, or several counties, are permitted by the code to go together to establish one technical school center either within an existing school or by the construction of new school building. When such schools are planned, the county board is authorized to establish an advisory committee of industrialists, etc., to determine what courses should be taught.

Seek Third Speech Therapist
The annual fee of \$100 for Attorney Yake as county board solicitor was approved. Approval was given to the account of Special Education which showed \$11,074.05 spent during April leaving a balance at the beginning of May of \$27,316.62. Superintendent Keefe said normal expenditures would indicate a balance of \$2,000 or \$3,000 by the end of the year.

Approval was given to forms for rental agreements between the county board of school directors and various school districts. The state provides funds for paying rental to the school districts for the rooms used for special education. Total rental is about \$800 a month.

Assistant Superintendent Coulson announced plans for the Custodial Workshop to be held Friday, June 13, at the Biglerville High School for school custodians and administrative officials. William Fencile, business manager of the Camp Hill schools, will conduct the workshop.

The county superintendent was authorized to secure the services of a third speech therapist for the county. Discussion indicated that with a third therapist some training could be given students in the first grades.

Menges First To Report Expenses

Jacob Menges, Hanover, unsuccessful candidate for Republican state committee, has filed his expense account, showing expenses of less than \$150, with the county election board, thus becoming the first to file since the primaries. The last day for filing is June 19. The election board meets Friday morning, according to law, to count the military ballots. Five ballots were sent out, three to men in military service and two to veterans in hospitals.

SETTLEMENT MADE

A settlement for an undisclosed sum was made in Cumberland County court, Carlisle, in the trial of Stanley R. Wolf, Gettysburg R. 1, against Firestone Motor Parts Division, Gettysburg. Wolf sought damages after falling in the yard of the firm on January 14, 1957.

"THE HEAVENLY TAPESTRY"

When golden rays of sunlight . . . pierce the clouds on high . . . I'm enchanted by the glory . . . of the sight that meets my eye . . . it's as though the doors of heaven . . . were standing open wide . . . and God was letting me behold . . . the place where saints abide . . . oh, the beauty and the wonder . . . of this heavenly display . . . filled my heart with tenderness . . . and chased worldly dismay . . . the clouds seemed like transparent silk . . . that let sunbeams stream through . . . splashing them with magic mist . . . of a rainbow hue . . . then all too soon, the spell was broken . . . clouds went on their spree . . . but deep inside my heart will hang . . . the heavenly tapestry.

Members of the Uniform Rank of the Alpha Fire Company will meet at 6 p.m. on Wednesday at the engine house to leave for Union Bridge where they will participate in a parade.

The Rev. and Mrs. Ronald Omen, Sheboygan, Wis., announce the birth of a daughter, Jennifer Rae, Sunday, Mrs. Omen is the former Dolores Rae Reindollar, daughter of Mr. and Mrs. J. Ray Reindollar, Lumber St.

Burgess Wilbur Plank issued building permits today to S. Lester Scott, E. Middle St., to erect a one-story brick and cinder block addition, 20 feet by 37 feet, at a cost of \$6,000, and Cities Service Oil Co., York St., to construct a one-story concrete block garage, 44 feet by 102 feet, at a cost of \$18,000.

Secretary Here Thursday
Mrs. Mary Bushman, secretary to Congressman S. Walter Stauffer, will be at the Hotel Gettysburg Thursday from 10 a.m. until noon to meet constituents who may have business with the congressman.

Beginning Sunday services at St. John's Lutheran Church, Abbottstown, will be advanced half an hour. The Church School will meet at 2:45 a.m., and the worship service will be at 10 o'clock.

The annual Children's Day program will be presented during the Church School hour on June 8. An offering will be received for the Tressler Lutheran Home for Children at Loysville.

Plans are nearing completion for the Vacation Church School which will be held June 10-13 and 16-20. Arrangements have been made for cars to travel along the roads leading to Abbottstown to provide transportation. Children are to be ready by 8:45 a.m.

Collect Scrap Paper
The Luther League will collect scrap paper Saturday afternoon, June 7, in Abbottstown and surrounding territory. Donations of newspapers and magazines will be accepted.

Pilgrimages to newly renovated and redecorated churches have been planned for Sunday afternoons, June 1 and 8, leaving the church at 1:30 p.m. The congregation is considering such a program and would like to have as many as possible visit other churches.

St. John's annual Father and Son banquet will be held Saturday evening, June 21, at 6:30 o'clock, in the parish hall. The ladies of the church will serve the dinner.

The pastor, Rev. L. J. Karschner, and the lay president of the church council, Wilmer Gross, will attend the convention of the Central Pennsylvania Synod held at Gettysburg College, June 2-5.

of Lee and Meade, which he has made for the museum. More than 50 types of uniforms, most of them of Civil War days, are ready for display in the museum which is being rushed to completion.

Twenty years of study of the Civil War, especially of the Battle of Gettysburg, brought him here four years ago, he told the Lions, and "I spent hours just walking around the town looking at the buildings." He has spent three years making the figures he will place in the museum which he described as "something new and not a competitor of any present museum."

President Donald A. Ulrich presided at the meeting with 72 Lions in attendance.

Ernest Overton, A. L. Mathias Company manager at Gettysburg College, was introduced as a new member. He will be formally inducted June 9.

A stag outing for Lions at Camp Tuckahoe June 26 was announced. Kenneth G. Reinhardt Jr., Kenneth Thomas and Harry Ridinger were appointed to an auditing committee. It was announced that the Lions will not meet next Monday.

The speaker was introduced by Program Chairman Kenneth Dengler.

THE '58 CHEVROLET is the one honest-to-goodness new car in the low-price field. And once you drive it, you'll find it offers the year's most rewarding advances in ride and performance.

It stands out like a newly minted coin. Its clean-etched beauty—its flashing reflexes—give it a new look . . . a new feel.

Yet, with all its V8 vigor and gull-wing glamor, Chevrolet's priced surprisingly low. In the models most people buy, it's

actually the lowest priced of the low-priced three.* So any way you look at this new Chevy, you just can't make a more beautiful buy.

If you haven't yet taken a trial ride, don't put off the pleasure any longer.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

FIFTY YEARS AGO

General Local Gleanings: In conversation with several grain merchants of the county they inform us that many farmers have not sold their wheat and that there are a large number of bushels yet stored in the farmers' granaries, who are holding it for better prices.

A new cement pavement has been laid in front of the lodge in the National Cemetery and the gateway beautified with a coat of paint. James M. Caldwell has, in addition to having his house remodeled, had the same painted.

A charter has been issued for the Arendtsville National Bank. Work on the new building is progressing rapidly and the structure will be completed in the near future.

Twenty-eight stallions have been registered with the Sanitary Live Stock Board of Pennsylvania from Adams County.

Pius A. Miller recently received as a present a fine lot of catfish from friends in Maryland.

Friends Grove Sunday School recently started, near Aspers, with 33 scholars.

John D. Mummert, of near Black's schoolhouse, has a novelty in the way of a duck with four legs.

M. G. Nagle's hatchery at Abbottstown is in full blast, he now has over 8,000 eggs in his incubators.

The Littlestown wrapper factory has started work again after a shut down of several months.

There will be more clover hay made in Adams County this summer than for many years, the fields being well set.

The recent cold snap did not affect the fruit crop and an immense crop of apples is expected in the fruit belt next fall although it is feared that low prices may prevail owing to the fact the buyers lost money last winter.

F. K. Heiges has broken ground for one and A. F. Cronise for two new houses in Biglerville. * Gates B. Linah, Esq., of Huntingtown Twp., will be the orator at Heidlersburg on May 30.

Pretty Confident: The Fairfield baseball team is said to have a standing offer of ten dollars to any Adams County baseball nine that will defeat them on their own grounds.

Great Damage By Floods: The exceedingly heavy rains of last week and especially those of Friday, interspersed with hail, did great damage in various sections of the county.

At Idaville and Aspers Station, the storm was severe; hail as large as hickory nuts fell, doing considerable damage to the fruit and crops.

At Mummaburg and Seven Stars it rained and hailed heavily and much damage was done by the high water and hail. Fences were washed away and the culvert on the road between Seven Stars and Mummaburg was taken away. At Ambrose Shank's farm, at Seven Stars, the grain and fruit were practically ruined as was also that on the farm of Samuel Bushman in Franklin Twp., where a number of windows were broken. On Charles Rebert's farm near the Shank farm, the hail was as large as hen's eggs. Eighteen acres of clover and thirty acres of fine wheat were completely ruined. The fruit trees and grape vines were completely stripped of their foliage and young fruit. The windows on one side of the house were all broken as were also the windows in the barn, the roof of which was perforated.

Fairfield Items: George Neely has his soda fountain in running order. Frank Moore took in Buffalo Bill's show at York on Friday.

Postmaster James W. Moore had a strenuous time with a bolt last week.

Local Miscellany: Captain Gilbert, shipped two gun carriages to Hanover last week to replace the old ones in the square in that town. The Hanover people are much pleased with them.

The barroom of the Wabash Hotel presents a beautiful appearance. The live proprietor, Benjamin W. Kindig, has had it painted and decorated in an artistic manner. The walls have been painted green and red, while the bar and wood-

Today's Talk

GOOD TALK
I dislike eating alone, but I prefer to do so unless I can get a delightful talker to eat with me. I have heard it said that good conversation is a lost art. I do not share that statement. I have friends whom I would gladly pay just to visit and talk to me. I used to love to take luncheon with the late Christopher Morley, for I always learned something new. He was a wonderful conversationalist and knew literature as few ever do. Some of my most treasured literary possessions were selected because of his suggestions. I would say that he was an asset to America, and a great loss to us all when he left us. Not only did he have fine and intelligent literary taste, but he was a grand person as well. His essays, especially, will long live. His "Parnassus on Wheels" is a classic!

Morley was an intimate student of Dr. Samuel Johnson, who was one of the world's most famous talkers and conversationalists. After one of those delightful evenings it was Dr. Johnson who remarked as he wished his guest good night, "Well, sir, didn't we have good talk?" What a joy it must have been to spend an evening at one of those rare gatherings! I have friends, as most other people do, too, who put new life in us after an interesting and intimate talk. Good talk helps digestion by putting flavor and enjoyment into it. No business talks, though. They are for the office!

What a conversationalist Robert Louis Stevenson must have been! His writings are packed with interest and enjoyment. Good talk is something that you will have to arrange yourself. The most you know about interesting things, however, the better talker you are bound to be.

Tomorrow Mr. Adams will talk on the subject: "Fulfillment"

Just Folks

THE WEATHER
Gee, whiz! but the weather's fine!
And the air has a springtime snap

That somehow gets hold of the spine
Of a frost-weary city chap.
And straightens him up and sends
Him head-high along the street,
And a feeling of magic lends
To the soles of his weary feet.

Gee, whiz! but the weather's great!
And I drink in the air and feel
In spite of the blows of fate
That joy is a thing that's real.
There's a charm in the skies of blue

That sends me along my way
Just looking for things to do,
And thinking kind things to say.

Gee, whiz! the weather's fine!
The very first touch of spring
Gets hold of this heart of mine
And I whistle along and sing,
And act like a man possessed
With the thought that the
world's all right;
Convinced that what is, is best;
And finding my burdens light.

World News In Brief

OTTAWA (AP)—An atomic test reactor that is probably the West's most powerful has been shut down for three or four weeks by an accident that contaminated its building.

No one was injured in the accident Saturday night to the 57-million-dollar reactor at Chalk River, Ont.

Atomic Energy of Canada, Ltd., which operates the huge project, said a piece of uranium fuel rod caught fire after it was removed from the reactor.

TIZI OUZOU, Algeria (AP)—A hand grenade exploded today in a throng of 20,000 Moslems at a pep session staged by the pro-Gaullist military-civilian junta at the Algiers City Hall.

Several persons were injured. A French officer told a reporter that the explosion was caused accidentally by a military grenade carried by a French soldier. This could not be confirmed from other sources.

NEGRO WILL REBUILD HOME

RUTLEDGE, Pa. (P)—A Negro who recently purchased home in this all white Delaware County community was destroyed by fire Monday says he intends to rebuild and occupy the house.

George T. Raymond, 44, president of the Chester, Pa., branch of the National Association for the Advancement of Colored People, said Monday night:

"I'm going to rebuild the house. I'm going to move into it and we are going to live there."

The fire apparently starting in the basement of the \$11,500 home, swept through the first and second floors and burned through the roof before firemen brought it under control.

State police and the state attorney general's office are investigating the cause of the fire. However, state trooper Albert Kweder, who is in charge of the probe, said Monday night there is so far no evidence of arson.

Raymond said he sent a telegram to State Atty. Gen. Thomas McBride asserting there would be violence when he attempted to move into the home.

Raymond is employed as a janitor at the Scott Paper Co., and lives with his wife and two daughters in a Chester housing project.

8 Carnegie Tech Students Arrested

PITTSBURGH (P)—Eight male Carnegie Tech students were taken into police custody early today during a campus demonstration involving about 350 young men.

Police rushed six patrol cars, a wagon and two ambulances to the campus and found the crowd around a girl's dormitory.

The girls, who reportedly were holding some sort of initiation, were tossing water on the youths. When police moved in to break up the crowd, stones, bricks, eggs and stink bombs were hurled at their cars. One rock shattered an ambulance window. No one was reported hurt.

EGREMONT, Mass. (AP)—This town of 851 residents has nowhere to bury its dead. There is no room in either the Riverside or Town House Hill cemeteries, the town's two burial areas. And now the voters have defeated a proposal to purchase three acres of land for burial purposes.

CHARLOTTE, N.C. (AP)—County commissioners have made "Plumb Nearly" the official name of a road southeast of Charlotte. Residents along the previously undesignated road said the name meant "plumb out of the city and nearly out of the county."

Abbottstown

ABBOTTSTOWN — Mr. and Mrs. George S. Nagle, Northport, L. I., visited relatives in town over the weekend enroute to North Carolina.

Mevin Wirick returned to his home on Guam after spending several weeks with his parents at their home east of town.

Mr. and Mrs. Butt entertained 20 relatives Sunday evening at their home in honor of Mr. and Mrs. Darr Conklin, Palmyra, Wis., who are visiting at the Butt home, and in honor of Miss Irma Nagle who observed her birthday anniversary.

Mr. and Mrs. Ellis Stambaugh have left on a trip to points of interest in the south and southwest.

Mrs. Helen Haines has received word of the death of Mrs. Helen Spatz at her home in York. Mrs. Spatz had a number of relatives and friends in town and was a former resident of Hampton where her husband, Dr. G. Emanuel Spatz, practiced. Sub Bus Driver Blacks Out, Crashes

HALIFAX, Va. (AP) — Larry Conner, 17, was finishing his second trip as a substitute driver of a county school bus Monday when he momentarily blacked out; he said.

The bus, loaded with high school and elementary school pupils on their way home from classes, left the highway and hit a tree. Eighteen of those aboard, ranging in age from 7 to 16, were injured—none critically.

Ten of the young victims still were hospitalized today.

PRO-WESTERNS WIN IN ITALY

ROME (AP)—Italy's pro-Western Christian Democrats today boosted their parliamentary strength but once more fell short of a majority in the face of matchings by leftist forces.

The Christian Democrats appeared to have emerged from the nationwide election Sunday and Monday strong enough to continue to govern Italy as they have since World War II.

With about 70 per cent of the vote counted for the lower house, the Christian Democrats had won 42.7 per cent, compared with 40.1 in the last election. The Commu-

nist-Socialist left was up from 35.2 in 1953 to 37.5.

The final official results for the Senate gave a 41.2 per cent vote for the Christian Democrats compared with 40.7 in 1953. The Communist-Socialist left vote rose from 34.7 per cent to 35.9.

ARCHIE MOORE EASY WINNER OVER NORKUS

SAN FRANCISCO (AP)—Light heavyweight boxing champion Archie Moore, whose boxing life keeps rolling right on through his 40s, plans a promotion campaign to win another shot at the heavyweight crown.

"Retire, why should I retire?" he asked Monday night after handing veteran Charley Norkus a thorough beating in 10 rounds. "I gave the better part of my younger days trying to learn this boxing game."

Moore did not break the all-time record for knockouts he shares with the late Young Stribling at 126, but he has probably had few easier work evenings.

Wants Durable Fight
Relying mostly on his left hand, Archie did not lose a round as he jabbed and hooked to the head and body. Norkus, 29, from Port Washington, N. Y., came off with a bloody nose and battered face.

Weighing a pudgy 196, all of 21 more than the light heavyweight limit, Moore came in three pounds heavier than his opponent, who always has been a heavyweight.

Moore says he'll be glad to give Canadian Yvon Durelle a chance at the title in exchange for a \$100,000 guarantee he'd like to fight heavyweight contender Ed Machen here for a guarantee.

In the immediate future, the 175-pound class champ plans a fight in about two weeks at Sacramento, Calif., if an opponent can be found. Then he'd like Machen, adding, "when I knock him out, I'll put on the campaign to get Patterson into the ring with me again." Floyd Patterson is the heavyweight champ.

Eastern League

By THE ASSOCIATED PRESS
York, sporting the best record in the Eastern League, staved off a ninth inning rally by Williamsport Monday night to nip the Grays 6-7.

The win gave York a 17-8 record and boosted pitcher Bill Garcia's mark to 3-0.
Trailing 8-3 going into the top of the ninth, Williamsport staged an uprising that plated four runs. Pitchers Dick Hicks and Carlos Thorne were called in to help put out the fire.

In other games, Albany edged Lancaster 4-3, Reading walloped Binghamton 7-1 and Springfield defeated Allentown 3-1.
Right-hander Howard Reed limited Lancaster to six safeties, one of them a three-run homer by George McCue in the sixth inning.

The Binghamton Triplets could not stand prosperly. They scored two runs in the first inning against Reading and then called it a day. Reading came back to take the lead with five runs in the fifth inning.

Julio Navarro, Springfield right-hander, won a mound duel with Walt Payne as Allentown went down in defeat. A two-run third in which Springfield bunched three of the five hits decided the issue.

Navarro gave up six hits.
Today's schedule:
Allentown at Springfield
Lancaster at Albany
Binghamton at Reading
Williamsport at York

Pitching—Carl Erskine, Dodgers, allowed only two singles in 2-1 victory over the Phillies, pitching a one-hit shutout until the eighth.

Hitting—Ed Mathews, Braves, was on base ahead of Frank Torre's three-run homer in the eighth, breaking up the game in eighth inning for 4-3 victory over the Cubs.

Shoemakers Host To Warrior Squad

Gettysburg High School's baseball squad, managers and coach were guests of Mr. and Mrs. William Shoemaker, York St., for a spaghetti dinner Monday evening which was served on the lawn at the Shoemaker home.

The Shoemakers' son, William, played left field for the Warriors during the recently completed season.

BRAVES HAVE HARMONY ON COACH STAFF

MILWAUKEE (AP)—Manager Fred Haney and the Milwaukee Braves seem to have profited by ignoring the old adage and breaking up a winning combination of coaches.

As one Milwaukee player put it recently:
"There's harmony between Haney and the new coaches now, where there wasn't last year, at least from about June on. After all, these are Fred's men. He couldn't say that last season. They were either here when he came or picked for him."

Three Were Fired
The Braves surprised most of the baseball world last fall when they fired three of their coaches 16 days after beating the Yankees in the World Series.

Ousted were Connie Ryan, Johnny Riddle and Charlie Root. The resignation of bullpen coach Bob Keely this spring, ostensibly because of poor health, made it a clean sweep.

Serving under the 60-year-old Haney this season are Billy Herman; John Fitzpatrick, an old sidekick from Haney's Pittsburgh days; Whitlow Wyatt; and George Susce.

**DUKE SNIDER
SEES DOCTOR**

PHILADELPHIA (AP)—Duke Snider paid a secret visit to a New York physician Monday hoping to learn why his ailing left knee is failing to respond to treatment.

The knee, which underwent surgery last November, has become progressively worse in the last three weeks, said the worried Los Angeles slugger.

Snider, who hasn't been in the starting lineup since a week ago last Sunday, said the New York doctor assured him the operation was a success and that he should be back in the lineup within a few days.

"He told me the knee was still inflamed," the Duke said, "and some fluid had collected around the joint. That was the reason for all the pain. He gave me a shot of cortisone, which is supposed to deaden the pain. Right now it hurts worse than ever but I'm told it takes 72 hours to work."

TURLEY LOOKS FOR HIS 8TH '58 VICTORY

By THE ASSOCIATED PRESS
The tale of Casey and the Seven Dwarfs, sometimes known as the American League pennant race, gets back to the old grind tonight after a refreshing change of pace Monday, when the New York Yankees failed to fatten their first place bulge.

They couldn't. Neither the Yanks nor second-place Boston were scheduled. Only one game was in the books, and that one gave Kansas City a 5-4, 10-inning victory over Baltimore on relief pitcher Murry Dickson's home run.

Unprecedented Lead
The Yankees take an unprecedented pre-Memorial Day lead of nine games into Kansas City tonight, with unbeaten Bob Turley looking for his eighth victory.

The A's were blanked for three innings Monday by Connie Johnson as nine-year veteran Jim Busby's first major league grand slam homer pushed the Orioles in to a 4-0 lead in the fourth and chased Ralph Terry. But the A's then counted three in their fourth, two on Bob Martyn's homer, and squared it in the fifth on Harry Chitt's homer.

In the National League, Milwaukee edged within two games of the San Francisco, beating the Chicago Cubs 4-3 on Ed Mathews' 11th home run. Carl Erskine tossed a two-hitter as Los Angeles defeated Philadelphia 2-1.

33 Cars Are Being Readied For Classic

INDIANAPOLIS (AP)—Activity was all in the garages at the Indianapolis Motor Speedway today as 33 cars qualified for the Memorial Day 500-mile race were being readied for carburetion tests.

The field is the fastest in history, and favorite Jimmy Bryan of Phoenix, Ariz., predicts a record run of one or two miles an hour faster than the mark of 135.601 m. p. h. set last year.

Bryan, USAC national champion, will drive a Belond Special in which Sam Hanks set the record. Hanks, now retired from racing, will drive a pace car for the start of Friday's race.

**ERSKINE BEATS
PHILLIES 2 TO 1
AS BRAVES WIN**

By THE ASSOCIATED PRESS
A year ago, Carl Erskine was prepared to quit if his arm trouble didn't respond to treatment. Today you'd have to tear that Dodge uniform off his back.

The Happy Hoosier gained his second complete game victory Monday night, following up a shutout victory over St. Louis eight days ago, with a two-hit, 2-1 decision at Philadelphia for the last-place Los Angeles Dodgers.

The fourth-place Chicago Cubs were beaten 4-3 at Milwaukee in the only other National League game scheduled.

A's Beat Orioles
Only one game was scheduled in the American League, and the Kansas City Athletics won it, beating Baltimore 5-4.

Erskine, once the ace of the Dodger staff, was shooting for his third no-hitter for 5 1/2 innings, and had a one-hit shutout until the eighth while ending Robin Roberts' comeback winning streak at three. The Dodgers scored in the fourth on Don Zimmer's two-run double off the left field screen, without defeat for the Braves, riding in on Ed Mathews' 11th homer in the eighth after Lew Burdette had blown a 3-0 lead.

Burdette gave up 10 hits in his 5 1/2 frames. McMahon, allowed just one single the rest of the way.

Frank Torre's second 1958 homer, following a walk to Mathews and Billy Bruton's single, built the 3-0 lead in the fourth against Moe Drabowsky.

Can't Afford to Fight
NEW YORK (AP)—Sugar Ray Robinson says he isn't going to fight again this year.
"I can't afford to," says the middleweight champion. "The way the tax situation is it would even cost me money."
That's the way Ray sees it today. He's been known to change his mind.

Robinson discussed his future plans after he seconded his sparring partner, Otis Woodard, 160 1/2, of New York, to a second straight victory over Eddie Andrews, 159 1/2, of Lowell, Mass., at St. Nicholas Arena Monday night. Andrews once again had ex-middleweight king Rocky Graziano in his corner.

Woodard opened nasty cuts over both of Andrews' eyes to win on a TKO in 2:41 of the fifth round.

The Rotary Tigers scored in every inning to take an easy 14-4 win over the Moore Monday evening and thereby take undisputed possession of first place in the Little League standings. In two games the Rotary has scored 25 runs on 21 hits.

The Rotary tallied in the first on a double by Dane Kennell and a pair of infield errors. Two more runs were produced in the second on singles by Longanacker and Kennell, and walks to Jack Tawney and Bill James.

In the top of the third the Moore came back to knot the count at 3-3 when Steve Shoemaker walked, Richie Fair singled and Richie Bruce blasted the second pitch off Roger Giberson over the right field fence for a home run driving in Shoemaker and Fair.

In the bottom of the third Tommy Collins belted his second pitch over the right field scoreboard for his first round tripper of the season and the first of his Little League career. The Rotary went on to score three more runs in that same frame. They also scored five in the fourth and two more in the fifth to clinch the game. The Moore tallied their fourth run in the sixth.

Johnny Longanacker and Tom Collins led the way for the Tigers. Longanacker poled four hits for four trips to the plate while Collins rapped out three hits in four trips. Richie Fair was the Moore's top man with a double and single on three at bats. Roger Giberson posts his first win on the mound while Tom Whittinghill is charged with the loss.

Can't Afford to Fight
NEW YORK (AP)—Sugar Ray Robinson says he isn't going to fight again this year.
"I can't afford to," says the middleweight champion. "The way the tax situation is it would even cost me money."
That's the way Ray sees it today. He's been known to change his mind.

Robinson discussed his future plans after he seconded his sparring partner, Otis Woodard, 160 1/2, of New York, to a second straight victory over Eddie Andrews, 159 1/2, of Lowell, Mass., at St. Nicholas Arena Monday night. Andrews once again had ex-middleweight king Rocky Graziano in his corner.

COURT HOLDS CONSPIRACY AGAINST PIKE STILL EXISTS

By BOB HOLTON
HARRISBURG (AP) — Judge Homer L. Kreider and his three colleagues on the Dauphin County Court bench maintained today that an alleged multimillion-dollar conspiracy is still in operation against the Turnpike Commission.

The four jurists made the technical point in law Monday in a 109-page opinion citing reasons for denying new trials for five men convicted of conspiring to fleece the commission of 19½ million dollars.

Continues The Offense
The judges noted in their opinion that a Reading firm owned by one of the five convicted conspirators has asked court aid in collecting \$333,000 it said the commission owes on a contract which was the

center of the alleged conspiracy. "The fact of bringing suit by the conspirators to collect additional fruits of the conspiracy continues the offense," the judges ruled.

The claim against the commission was filed several months ago by Manu-Mine Research and Development Co., owned by Charles W. Stickler Jr., Reading.

Stickler and four others, including a former commission chairman and a former commission member, were called for sentencing June 5.

"This suit filed for \$333,000 means that any statements made by one of the coconspirators about the other regarding the conspiracy can be used as direct evidence in court in the event of a retrial," Kreider said.

Affected Trial
Dist. Atty. Huette F. Dowling, who prosecuted the two-month long case, said it was on the grounds that the conspiracy continued because of the Manu-Mine legal action that the Commonwealth read grand jury testimony of one of the defendants into the court record.

Others convicted were: Former Commission Chairman Thomas J. Evans, Coal Dale; former Commis-

sioner James F. Torrance, Export; former Commission Finance Officer Paul J. McNeill and Clayton A. Landside, former vice president and general manager of Manu-Mine.

"It should be borne in mind that the conspiracy which the jury in the instant case found to exist between Evans, Torrance, McNeill, Stickler and Landside continues to exist to the present day..." the opinion claimed.

Work Was Cancelled
The judges based their conclusion on the fact that "... Manu-Mine admittedly has instituted actions in assumpsit in this court against the Pennsylvania Turnpike Commission which are still pending to recover about \$333,000 for alleged breach of contract of Feb. 28, 1955."

It was that contract for the stabilization of a 16-mile section of roadbed for the toll road's Northeastern Extension around which the Commonwealth claimed a 19½ million dollar conspiracy centered.

The commission cancelled work by Manu-Mine on the filling of mine voids after an investigation was begun into charges of an alleged multimillion dollar swindle.

"There is no getting away from it, as funny as it might sound, from a point of law this conspiracy continues today," Judge Kreider said.

Meanwhile, the court also has before it a counter suit by the Turnpike Commission claiming almost eight million dollars in damages from Manu-Mine for work billed to the commission which the commission claims never was done.

Evans and Torrance also were convicted of misconduct in office and Landside and Stickler were convicted of false pretenses.

SEVEN ACCUSED IN MURDER WILL BE TRIED SOON

PHILADELPHIA (AP) — Seven of nine teenagers accused of murdering a Korean university student in a street corner attack are scheduled to go on trial June 23.

Common Pleas Judge Charles L. Guerin set the date at the request of Asst. Dist. Atty. Thomas Reed on the arraignment of the seven Monday.

Reed said it was unlikely the youths would be tried together, pointing out that murder defendants have the right to separate trials.

Accused Of Murder
Arraigned were Leonard Johnson, 15; Douglas M. Clark, 15; James Wright, 17; Franklin Marshall, 16; Percy Johnson, 17; Robert Williams, 17, and Alfonso Borum, 18. All are Negroes.

They are accused of murdering In-ho Oh, Korean graduate student at the University of Pennsylvania as he walked to a mail box a half block from his West Philadelphia apartment.

Two other youths charged with participating in the fatal beating—Harold Johnson and Lonnie Collins, both 18-year-old Negroes—will be arraigned next week. Reed said police are still working on their cases.

PEN WOMEN MEET

At the May meeting of the Carroll Chapter, National League of American Pen Women, held Saturday at the home of Mrs. Robert W. Crewman Tells About Record Breaking Month Under Water

EDITOR'S Note—The Navy has announced that two U.S. submarines, Skate and Seawolf, have completed a record-breaking month under water. What did it feel like cooped up in an atomic submarine?

By LOUIS E. KLEINLEIN
Sonarman I-C, U.S. Navy
BOARD THE U.S. S. SKATE, GROTON, Conn. (P) — Cruising beneath the surface, with no feeling of motion whatsoever, was a very eerie feeling.

This feeling of suspension must be what a whale feels when he swims under the ocean. We spent a long and tiring 40 days at sea, but surprisingly none of us had that "bottled up" feeling.

For more than 31 of those days we were totally buttoned up under the water. This was longer than any men have remained under the sea before.

Reading And Movies
Reading was a favorite pastime and movies were shown every night.

As the days passed, a fad started for exercising with the muscle-building outfit, so timely purchased before underway time. Everyone took a crack at it.

The crew's attitude was good all the way. No tension developed at all. I suppose this will be a surprise to many, especially when they imagine themselves with

BARRACKS WILL MARK BIRTHDAY

Carlisle Barracks, one of the oldest active military installations in the United States, marks the 201st anniversary of its founding on Friday.

In keeping with a tradition of friendly cooperation with its neighboring civilian community, the post will play host to the citizens of Carlisle and Cumberland County for the annual Memorial Day worship services Thursday evening. The services, sponsored by the Capt. J. P. Brindle Camp, Sons of Union Veterans of the Civil War of Carlisle, will begin at 7 p.m. on Indian Field. The services will be conducted by Carlisle clergymen, and Chaplain (Lt. Col.) George W. Almond, of Carlisle Barracks, will deliver the sermon. Lester A. Kern, of Carlisle, is general chairman of the Carlisle Memorial Committee.

Following the services, the Second United States Army Pipe and Drum Corps will present a concert. The corps, which was organized in 1952, has taken part in hundreds of military and civilian parades and ceremonies. It was last seen during the Carlisle Christmas parade last November. The members of the Pipe and Drum Corps are outfitted with authentic Scottish pipe equipment and their kilts are the famous Wallace Clan tartan.

Air Country Fresh
But after 20 days the games began to wear off and we all became a little restless. The air was still country fresh and our source of "sunlight" via the neutron was still bright.

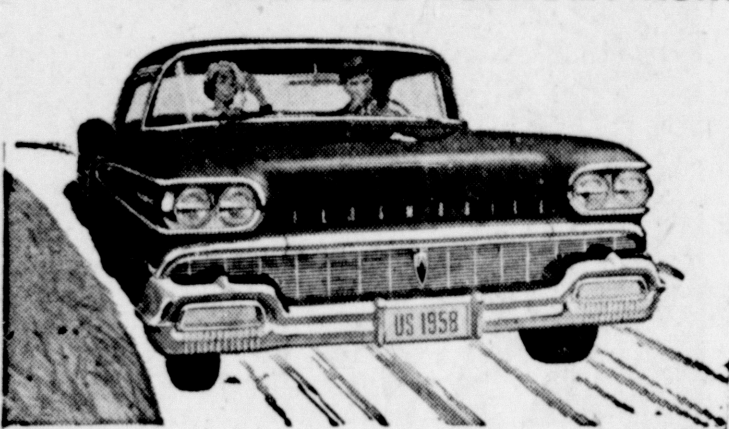

Beards began to blossom out in good shape. Everyone tried to outdo the other. I attempted to trim mine in the gay 90s style. It was in pretty good shape by the thirty-first day. I'm still wearing it. My wife, Betty, doesn't like it, but I am going to attempt to keep it a little longer.

We surfaced at 7 a.m. on Sunday, May 25. It was like the end of a dream.

This is Texas Eastern...

Exploring today for tomorrow's reserves

Texas Eastern not only transports natural gas and petroleum products from producing areas to consumers, but is also active in the exploration for and production of crude oil and natural gas.

The company's exploration and production activities began in 1950 along the Texas and Louisiana Gulf Coast. Since that time efforts have steadily expanded until today, exploration and production by Texas Eastern is being carried on in Louisiana, Texas, Oklahoma, Arkansas, Alabama, Colorado, New Mexico, Utah and Kansas.

A significant advance in exploration and production by the company came during 1957 with acquisition of La Gloria Oil and Gas Company. This company is a major oil and gas producer and holds extensive leases covering areas of developed and potential oil and gas production. By the end of 1957, Texas Eastern's combined holdings totaled more than 375,000 acres of developed and undeveloped oil and gas producing properties.

Combined production of Texas Eastern and La Gloria during 1957 totaled 3,091,727 barrels of crude oil and products and 35 billion cubic feet of natural gas.

Texas Eastern is proud that it not only supplies petroleum products and natural gas to consumers via its pipelines, but is playing a significant part in uncovering new reserves of oil and gas faster than they are consumed by home and industry.

James MARLOW Reports

The Associated Press

WASHINGTON (AP) — Congress, anxious to get home for the November elections, has a hatful of problems to solve before it quits. It's almost June 1. At the rate it's going, Congress won't get out of here before sometime in August.

Here are major pieces of legislation still unfinished: defense reorganization, Alaskan statehood, taxes, labor reforms, foreign aid, reciprocal trade, extended unemployment pay, and a space agency.

In addition, action still has to be taken on the usual appropriations bills — voting the money to keep the government agencies running another year.

Stalling On Statehood

Defense Reorganization—Neither house has acted on this yet. President Eisenhower months ago asked for a streamlining of the Defense Department.

Alaskan Statehood—Giving Alaska statehood is a question kicked around in Congress for years. The House may decide yes or no this week. If the House boots this aside, no Senate action will have any meaning.

If the House approves, the Senate may still stall because approval of statehood for Alaska is almost certain to bring pressure on the Senate to approve statehood for Hawaii too.

Ike Against Cut

Taxes—Monday President Eisenhower came out against an income tax cut, even though there is a recession. So it's unlikely those taxes will be chopped this year.

But unless Congress acts to stop them, there will automatically be reductions July 1 on corporation taxes — from 52 to 47 per cent — and on certain excise taxes, most of them imposed during the Korean War.

Eisenhower asked Congress not to let the automatic reduction take place, for it would mean a loss of about three billion dollars in revenue to the government.

To Continue Foreign Aid

Labor Reforms — By mid-June a bill to put some curbs on unions — or at least on union bosses — should land in the Senate's lap for consideration. This is a hot potato.

If the Senate approves some kind of reform bill, there still won't be any reform unless the House also gives its okay. And maybe the House won't.

Foreign Aid — The House has passed a foreign aid bill, and it may get Senate consideration this week. There's no question foreign aid will be continued. The only question is: How much will Congress cut it?

What Kind Of Trade Bill?

Eisenhower asked \$3,900,000,000. He won't get that much. But first Congress must approve an authorization bill — which sets a limit on how much can be spent — and then it must vote the actual appropriations. That's another eight weeks away.

Reciprocal Trade — Neither House has acted on this yet. The House may start debate on it this week. But it will be sometime in June, at the earliest, before the Senate acts. Some kind of reciprocal trade bill is sure to be passed.

Again the question is: What kind? Eisenhower asked that his power to make agreements with other countries — to lower tariffs on their goods if they do the same on American imports — be continued another five years.

Their Odds And Ends

There's been a lot of pressure to boost, not lower, tariffs on imports which compete with American industries hard hit by the recession.

Extended Unemployment Pay — The House has approved a bill to give federal loans to states which want to extend unemployment pay to jobless workers who have already used up all this kind of pay to which they're entitled. The Senate starts on it today.

Space Agency — Neither house has yet acted on a bill to establish civilian control over developments for the exploration of space.

In addition to all these items, there are other odds and ends which Congress may tackle before adjourning.

NEW YORK (AP) — Lou Perini, owner of the Milwaukee Braves, has refused to confirm or deny that he was a participant in a recent secret meeting to discuss chances of bringing another major league team to New York. Sports Columnist Red Smith says in today's edition of the Herald Tribune, that Perini, New York Parks Commissioner Robert Moses, Chairman William Shea of the mayor's baseball committee and two others were present. All except Perini Smith said, were bound to silence.

to become campus pastor to Lutheran students at institutions of higher learning in New York City. From 1946 to 1950 he also served as executive director of the Lutheran Student Foundation of Greater New York and associate Protestant counselor, by trustees appointment, of Columbia University.

New Post In 1950

On June 1, 1950, he was named executive secretary of the NLC's Division of Student Service, the name of which was changed in 1956 to the Division of College and University Work.

The division, as the agency of the eight church bodies participating in the council, supervises and coordinates a Lutheran ministry and program for students and faculty members at the colleges, professional schools and universities in the United States.

Dr. Heiges was chairman of the

Department of Campus Christian Life of the National Council of Churches, 1954-57; a member of the Lutheran World Federation's Commission on Students, 1952-57; and gave this year's Knobel-Miller lecture series for the United Lutheran Church in America on the subject of Christian Vocation.

COLOMBO, Ceylon (AP)—Gov. Gen. Sir Oliver Goonetilleke declared a state of emergency today to help the government suppress Sinhalese-Tamil riots wracking Ceylon for a week. The order established a state just short of martial law. In Colombo, rioting continued for the second day.

The minority Tamils, who make up a quarter of Ceylon's eight million population, have been conducting a passive resistance campaign since Premier Solomon Bandaranaike last month bowed to the Sinhalese majority and agreed to make their tongue the Indian Ocean island nation's only official language.

Devastating Accuracy Achieved On Nuclear Bombing Test Runs By B52s, Giants Of The Jets

By VERN HAUGLAND
AP Aviation Reporter
LORING AIR FORCE BASE, Maine (AP)—A 5,000-mile night-time jaunt eight miles above the earth is routine for the men flying the B52 intercontinental bomber—but a new thrill for an outsider.

Lifting some of the secrecy from this giant of the jets, the Air Force for the first time has permitted a newsmen to go along on a B52 training mission.

This one was a 10-hour simulated nuclear bombing run which included radar jamming and refueling.

Devastating Accuracy
Ranging a zigzag, roundabout course of 5,000 miles or more, 12 B52s rained make-believe atomic death on successive bombing targets in Richmond, Va., St. Louis, Mo., and St. Paul, Minn.

Launched from this northern Maine base at 10-minute intervals, the big eight-jet Boeing bombers attacked from altitudes of 41,000 to 43,000 feet. Electronic scoring equipment on the ground raked up the devastating accuracy that has become standard with B52s of the Strategic Air Command.

The mission also included ECM runs—sorties involving the use of electronic countermeasures to jam the enemy's radar—against Air Defense Command radar stations near Burlington, Vt., Williamsport Pa., and Kirksville, Mo.

Tried Jamming
There was a planned attempt by a radar-jamming simulator on the ground at St. Louis to knock out the radar aids by which the B52s navigated their way through darkness toward their targets.

The men aboard the B52s matched their wits against this simulator. When they could no longer identify on their radar scopes the landmarks along their course, the B52 operators switched in other frequencies.

In spite of this interference they worked their way in and hit their targets.

Already in production for delivery later this year is an improved version, the B52G. This can carry in addition to bombs the supersonic, nuclear-armed Hound Dog guided missile which can be fired while still hundreds of miles from the target.

Eight Minutes To Go

Newsman here and at Westover Air Force Base, Mass., also were permitted for the first time to watch "cocked" B52s—that is, bombers fully loaded with atomic weapons and fueled and ready for action—take part in practice alerts.

The average time for these cocked bombers, from the instant of the alarm until all eight engines were roaring and ready for taxiing, was eight minutes.

Commented Maj. Gen. Walter C. Sweeney Jr., commander of the 8th Air Force: "These men have a fantastic responsibility. I remember back in 1948, when we wrote the first war plans, we thought in terms of retaliation within six days of an enemy attack."

"Then we cut it down to hours. Now we can be off in 15 minutes—and over the target a very few hours later."

DPA REPORTS DROP IN ROLLS FOR 1ST TIME

HARRISBURG (AP)—The Public Assistance Department said today that the number of persons receiving state aid decreased this month for the first time since September.

The total had been increasing each month and reached a high of 305,442 during the last half of April, department officials said. But, during the first half of May, the trend reversed and 941 less persons were on the public assistance rolls.

A spokesman for the department said the biggest part of the decline was in general assistance and represented the effect of persons returning to work.

Payments To Needed
The department does not handle unemployment compensation but does make payments to needy unemployed persons not covered by unemployment compensation.

The department also supplements the resources of large families when their unemployment checks and any other income does not come up to the amount needed for a decent and healthful standard of living.

"The thing that keeps our total from being higher than it is with the present amount of unemployment," the spokesman said, "is that as long as one person in a family is working, they probably are getting enough money to get by."

Indirect Effects
This is especially true in families where the wife would qualify for unemployment compensation but the husband still is working, the spokesman said.

This group includes sicknesses which ordinarily would be taken care of by the family if the regular workers in the family were employed and older persons who ordinarily would be supported by their children or other relatives.

JERUSALEM (AP)—Israel and Jordan each blamed the other today for the death of Canadian truce chief Lt. Col. George Flint, killed in a crossfire while trying to arrange a truce between battling units of the two nations.

Flint's own chief of staff said it could not be determined which side fired the bullet that felled the head of the Israel-Jordan Mixed Armistice Commission on Mt. Scopus in Old Jerusalem Monday. Four Israelis also were killed on the Jordan-surrounded Israeli enclave adjoining the Mount of Olives.

Flint, 47, had accompanied a Jordan patrol to investigate rifle fire on Mt. Scopus.

Three Texas Longhorns May Peril International Relations

Although it took 437 years to do it, three "Texas" Longhorns have completed the round trip to their original jumping off place in the Dominican Republic.

The Fish & Wildlife Service announced today that the three Longhorns were sent to Santo Domingo as a good neighborly gesture. Unless the Dominicans know exactly what they're getting, there's a chance the gesture may set the good neighbor policy back a couple of generations.

For the Longhorns, as it developed in the American Southwest, is a somewhat different proposition than the little black Spanish cattle that Gregorio Vallabos, governor of New Spain, sent along with Coronado and other early travelers.

That the surviving Longhorns are under the jurisdiction of wildlife experts seems only just and proper to anyone who has met one socially, or vice versa. By and large, grizzly bears are tamer.

From Wildlife Refuge

The shipment for the Dominican Republic came from the herd on the Wichita Mountains Wildlife Refuge. This herd, which hits an annual peak of about 375 animals, was established by Congress in 1927 "to assure continuance of a type of cattle which played a brief, important role in the American scene."

During the three decades following the war between the states, some 10 million Longhorns went to market before they were displaced by beefier and more reasonable breeds.

And if cowboys stopped being quite so tough about them, it's no wonder.

LOWELL THOMAS NEAR 15,000TH AIR BROADCAST

By CHARLES MERCER
NEW YORK (AP)—A hardy voyageur has just stumbled out of the archival jungle of the Lowell Thomas office with word that by June 3 the CBS radio reporter will have made his 15,000th broadcast.

While programs come and go, die and are revived, switch times and change their formats, Lowell Thomas and the News has had the longest continuous run of any news program in radio and is still going strong. Its position in the broadcast schedule, never has varied since June 1932.

It's safe to say that Thomas has been heard more frequently by more Americans in the last three decades than any other man. He still makes two broadcasts a night his second being beamed to the West Coast. Besides his role on radio he has been widely heard as a lecturer and as narrator for Cinemascope, dozens of short films and for 17 years as the voice of Fox Movietone news.

Five Million Miles

It's equally safe to say that he has broadcast from more unusual and obscure places than any commentator: from a plane circling the Empire State Building, in the first broadcast from a helicopter, a bobbed, a—you name it. In the course of these broadcasts Thomas estimates he has traveled five million miles by every conceivable means of transportation.

Thomas was well established as a writer and lecturer when he first faced a microphone in 1930 as the replacement of Floyd Gibbons, last but not least of the "I was there, myself, in person" type of foreign correspondent.

News broadcasting in 1930 was largely unexplored territory. Gibbons had been the only commentator on the air and there were widely divergent notions as to just how it should be done.

Lists Most Memorable

Thomas's first broadcast followed a nine-hour "how it should be done" session. Then Thomas went on the air and broadcast in his own way—the way he's been doing it ever since from just about everywhere, including Lhasa, the

forbidden city of Tibet.

Asked for a list of the most memorable broadcasts during his years in radio, he names none of his own. Rather, he cites these:

Churchill's famous "Blood, Sweat and Tears" speech; President Roosevelt's Declaration of War message to Congress; MacArthur's "I Shall Return" speech; Ed Murrow's "Orchestrated Hell" broadcast on the bombing of Berlin; Charles Collingwood's description of the Nazi surrender; President Eisenhower's first acceptance speech in Chicago; Alben Barkley's last speech before his death; Dr. Jonas Salk's radio announcement of his polio vaccine; Doug Edwards' description of the sinking of the Andrea Doria; Mos-

The sheets will be produced at the firm's Irvin Works, near Pitts- burgh, by alteration of the light gage continuous hot dip galvaniz- ing line. Marketing will begin late next year. The new product will combine the strength of carbon steel with aluminum's resistance to atmos- pheric corrosion and heat, a U. S. Steel official said. Littlestown GIRL SCOUTS LAY PLANS FOR DAY CAMPING The Littlestown Girl Scout Troop Committee members, leaders and assistants of the troops of the com- munity, met Monday evening at the home of the neighborhood chair- man, Mrs. Charles E. Ritter, Glen- wood Dr., to make plans for the annual day camp for the local troops. Day Camp for the Littlestown Brownies and Scouts will be held July 7-11 at Camp Happy Valley, the Adams County Girl Scout Camp near Fairfield. Mrs. Donald Fair will be the camp director. The fee this year will be \$4 for each girl and this includes insurance, trans- portation, crafts, milk each day and a cook-out. Intermediate and Senior Scouts may camp overnight for 50 cents additional. The girls will take a nose-bag lunch for each day, except for the time of the cook- out. Transportation will be by bus, leaving at 8:15 a.m. from the engine house. On the first day of camp, Monday, July 7, the girls will report at 8:05 a.m., and will present their parent's signed permission slip to the person in charge, at the time of boarding the bus. Application blanks to attend camp may be secured from the leaders of the various troops. The filled in registrations, along with the fee for each camper, must be sent to the office of the Adams County Girl Scout Council by June 20. The Girl Scouts of the com- munity enjoyed their last monthly dance of the season on Monday evening in the social room of the Eagles Home. Dancing was to re- corded music, after which refresh- ments were served through the courtesy of the Eagles. The next dance for the Girl Scouts will take place in September. Shirley and Betty Leister were leaders at the meeting of the Lu- ther League of S. John's Lutheran Church on Sunday evening. The program consisted of the Scripture reading and prayer by Betty Leister; group singing; offering; business in					

ASKS RECALL ELECTION ON CAMDEN MAYOR

CAMDEN, N.J. (AP)—Alfred R. Pierce, Camden board of education solicitor, has filed petitions containing more than enough names necessary for a recall election of Democratic Mayor George E. Brunner.

Pierce, head of a month-long movement to oust Brunner, filed 225 petitions Monday with City Clerk John T. Odorisio. He said the petitions contained 13,000 signatures, over 3,000 more than needed for Brunner's recall.

The petitions charged that Brunner, mayor since 1936, has used his office to "build a political machine to the detriment of the city of Camden."

Under laws governing the city, Odorisio has 10 days in which to certify the legality of the petitions. If certified the recall election must be held within 40 days.

The voting actually would be to recall Brunner as a member of the City Commission. The five-member commission elects one of its members as mayor.

Brunner has given every indication that he will not only fight his removal from office, but would file as one of the candidates. If he doesn't file nominating petitions, the law states, he shall be deemed to have resigned and the office shall be declared vacant immediately.

It was reported that Pierce and former Deputy Mayor Angelo D. Malandra, an erstwhile Brunner lieutenant who broke with him prior to the April primary, also will seek the office.

charge of John Groff, president; discussion of the topic "Boy-Girl Friendships"; group hymn; benediction. Fred Leister and Kathy Miller were appointed to be leaders for the next meeting on Sunday at 8 p.m.; when a softball game will follow.

The Luther League held a record hop for the young people of the church and their guests on Friday evening in the church grove hall. Approximately 50 persons were in attendance. There was dancing to recorded music and refreshments were enjoyed.

SAYS BANKS NEED HIGHER PROFIT RATE

ATLANTIC CITY, N.J. (AP)—Banks need a higher margin of profit to keep pace with the country's economic growth, Pennsylvania bankers were told today.

Dr. Jules I. Bogen, New York University economist, said demands for bank credit and services have expanded with the economy but the prices charged by banks for credit and other services have not.

He told the 64th annual meeting of the Pennsylvania Bankers Assn. that a "moderately higher level of earnings" is needed to attract additional capital for expansion.

Below Other Fields

He added in his prepared text: "Interest rates on most loans and investments frequently reflect monetary policies aimed at promoting economic growth and stability, regardless of bank earning requirements."

"Service charges too often are set by tradition or a vague relationship to compensating balances rather than realistic cost studies."

Commercial banks earned an average of 8.2 per cent on their capital funds during 1957-58, Dr. Bogen declared, compared with the automobile industry's 15.4 per cent and 10.6 per cent for electric utilities.

97.3 Per Cent In ABA

At the annual meeting of the Pennsylvania Bankers Assn., a report by Daniel H. Erdman, Perkasee, ABA vice president for Pennsylvania, showed 1,093 Keystone State banks members of the national organization.

Only 21 banks in Pennsylvania have not joined the ABA. Erdman reported, for a 97.3 per cent membership compared to the national average of 98.3 per cent.

Although Pennsylvania has the largest number of ABA members

Motorists Urged To Be Careful On 30th

HARRISBURG (AP)—Pennsylvania motorists have been asked to include safety in their Memorial Day weekend plans.

Col. E. J. Henry, state police commissioner, said Monday drivers should consider heavy traffic, road and possible weather conditions when planning their trips.

He also advised that every available member of the state police force will be on traffic duty during the three-day weekend.

ACT BANNING ADS ON GLASSES UPHELD AGAIN

HARRISBURG (AP)—A 1956 act banning advertisements listing the price of eyeglasses was upheld Monday by the State Supreme Court.

Justice Michael A. Musmanno said it "is not contrary to logic to assume that the legislature concluded that the welfare of the people would be well served by removing from dealers the temptation to sell to the public eye-damaging glasses in order to adhere to a costly advertising program."

The 1956 legislative act had been appealed by the Price Optical Co. of Philadelphia. The Dauphin County Court previously turned down the appeal.

Other States Do It

The act gave to the State Board of Optometrical Examiners the right to regulate advertising on the sale of glasses.

The Price firm attacked the law as a violation of the right of freedom of speech and as an arbitrary interference with private business. The Supreme Court was unanimous in denying the appeal, noting that other states have similar regulations.

CHURCHMEN MEET

HARRISBURG (AP)—The Episcopal Diocese of Harrisburg opened its 54th annual convention today. An estimated 350 delegates from 90 parishes in 23 central Pennsylvania counties were expected to be on hand.

Crowded Bus Fired By Lightning Bolt

PORTLAND, Ore. (AP)—A bolt of lightning struck a crowded transit bus at a busy Portland intersection Monday evening, setting it afire.

All the 50 passengers—many with singed eyebrows and hair—escaped without serious injury. Thirteen were hospitalized overnight for treatment of smoke inhalation and noncritical burns.

MAKE PLEDGE AT DISASTER SCENE

MIDDLETOWN, N.J. (AP)—A citizens meeting called in the wake of the explosion of eight Nike missiles at a nearby installation heard both a prayer and a promise Monday night.

The prayer was for the 10 men who lost their lives in Thursday's disaster.

The promise came from the Army, which vowed to do all in its power to prevent a recurrence of the tragedy.

Army spokesmen told the 200 residents at the meeting that any future changes in the Nikes will be made with only one of the missiles above ground at a time.

Brig. Gen. Charles D. Duff, commander of the 52nd Brigade, said the battery site at his base was not on an alert status when one of the missiles exploded and set off the others.

George Washington, when a 22-year-old surveyor, began the idea that resulted in the Chesapeake and Ohio Canal.

State College Man Drowns In Accident

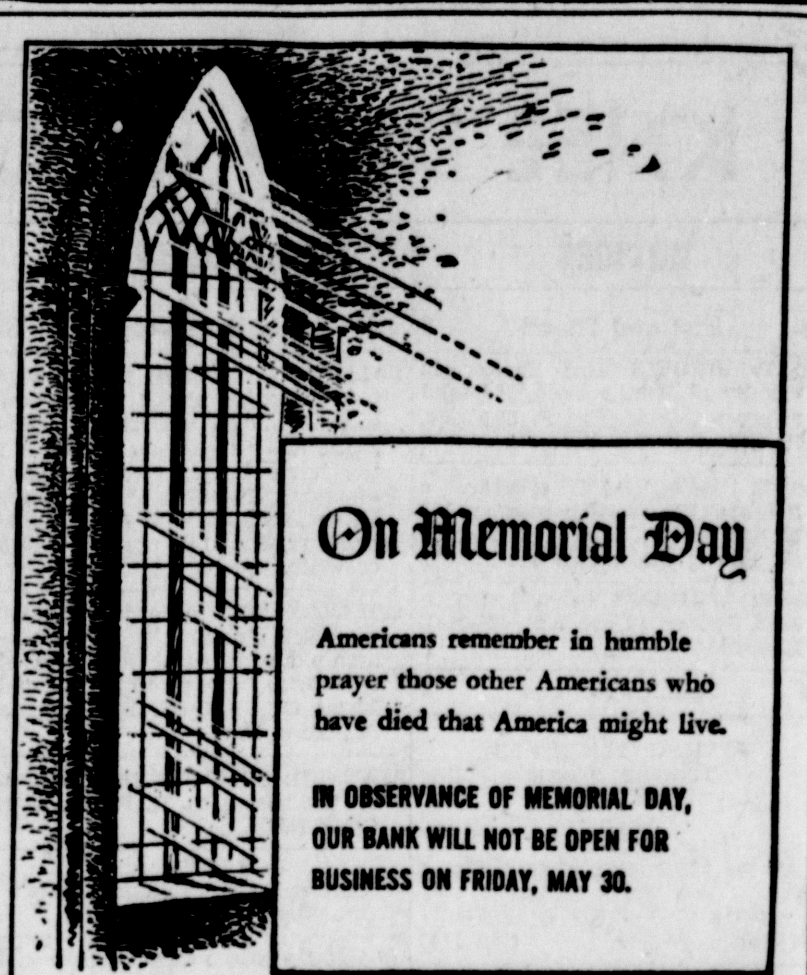

HUNTINGDON, Pa. (AP)—A State College man drowned Monday night in a boating accident at the Raystown Dam, 10 miles south of here.

Witnesses said the outboard motorboat in which Warren Berers, 25, State College, and Peter Richards, 22, State College R. 1, were riding upset when the pair turned sharply to avoid the dam, which backs up a large artificial lake on the Raystown branch of the Juniata River.

Richards was rescued but Berers drowned. His body was recovered about 15 minutes later by bystanders and other boaters.
